Re: Structural Stability Certificate for the Government Girl's Inter College,  
Bahuri, Haridwar, Uttarakhand.

This is to certify that the School building Government Girls Inter College  
Situated at Kharsra Number - 188, Village: Bahuri, Tehsil: Roorkee, District:  
Haridwar, Uttarakhand, is structurally safe

I have inspected the site on 09th March 2021 and found that the building is  
constructed in RCC which incorporates the provision of structural safety given in  
relevant I.S. Codes, National Building Code 2005 & Earthquake provisions
